T&G, the new resort wear label will redefine your holiday experience like never before.

Think vacation and instantly the fashionista in you pops out taking you on an imaginary tour to the world's best places in your 'best(est) wardrobe' ever. Yes! we unconsciously do it in the midst of making those fancy holiday plans. And there is just one thing in the back of our minds that time i.e., 'What will I wear, and where will I go shopping and so on and so forth. But this time around you can surely heave a sigh of relief, as a fabulous one-of-its-kind resort wear label has just set its foot in Bangalore. Turquoise & Gold, the flagship store was recently launched in the exquisite UB City, which is bound to make you go gaga over its designs.

Started by style conscious siblings Samara and Dimple and Natasha, Turquoise and Gold sparks extreme opulence in its easy flowing garments. When we went to check out the new shopping alcove we were instantaneously holidaying on a Cruise with our beloved. The clothes are a riot of vivacious shades, with floral prints ruling the roost. The colours of the nature are so evident in the outfits that you can sense freshness in its sheen fabrics. “Our range of resort and leisure wear is made up of vibrant colours and prints in easy free flowing silhouettes to accentuate beauty in any shape or form,” says Samara who designs few of the exclusive garments at the store along with her co-partners. The silhouettes are extremely chic and trendy keeping the ‘leisure look’ in mind.

“These are clothes which make you happy and they are extremely easy flowing and can be worn at anytime of the day or night,” adds Dimple, something that we truly agreed too. At T&G you can find almost everything that you need before your vacation to an island. From short dresses to maxis, from tops to kaftans, from jumpsuits to shorts you can find your 'ideal' pick here. “T&G retail relies on the exclusivity of prints which are directly bought from a French and Italian print designer/artist and from one of the biggest fashion fairs of the world based in Paris. The clothes are always in pace with global fashion, if not a season in advance. The clothes are feminine, contemporary, quality conscious, and affordable,” states Natasha.

The first T&G store was opened in Goa in the year 2007. And since then they have successfully styled many celebrities and matched their perfect wardrobes. Natasha Poonawala, Sushmita Sen, Neena Gupta, Feroze Gujral and Suman Ranganathan to name a few. Designed with a focus on comfort without compromising on style, these clothes are something that will make you lust for a quick retreat.

The T&G ensembles ranges from Rs 2000 to 32,000.
